COMMISSION REGULATION (EU) No .../..

of **XXX**

amending Commission Regulation (EC) No 282/2008 on recycled plastic materials and articles intended to come into contact with foods

(Text with EEA relevance)

COMMISSION REGULATION (EU) No .../..

of XXX

amending Commission Regulation (EC) No 282/2008 on recycled plastic materials and articles intended to come into contact with foods

(Text with EEA relevance)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EC) No 1935/2004 of the European Parliament and of the Council of 27 October 2004 on materials and articles intended to come into contact with food and repealing Directives 80/590/EEC and 89/109/EEC¹, and in particular Article 5(1)(n) thereof,

Whereas:

- (1) Recital 20 of Commission Regulation (EC) No 282/2008² states that decisions to authorise plastic recycling processes should be adopted in accordance with the regulatory procedure described in Article 23(2) of Regulation (EC) No 1935/2004.
- (2) Article 6 of Regulation (EC) No 282/2008 which is concerned with such decisions refers in its paragraph 1 to Article 11(3) of Regulation (EC) No 1935/2004.
- (3) When Regulation (EC) No 282/2008 was adopted, both Articles 11(3) and 23(2) of Regulation (EC) No 1935/2004 referred to the regulatory procedure established in Article 5 of Council Decision 1999/468/EC³.
- (4) Article 11(3) of Regulation (EC) No 1935/2004 was amended by Regulation (EC) No 596/2009 of the European Parliament and of the Council⁴ to introduce the regulatory procedure with scrutiny established in Article 5a of Decision 1999/468/EC by referring to a newly inserted Article 23(4) in Regulation (EC) No 1935/2004.

¹ OJ L 338, 13.11.2004, p. 4.

² Commission Regulation (EC) No 282/2008 of 27 March 2008 on recycled plastic materials and articles intended to come into contact with foods and amending Regulation (EC) No 2023/2006 (OJ L 86, 28.3.2008, p. 9).

³ Council Decision 1999/468/EC of 28 June 1999 laying down the procedures for the exercise of implementing powers conferred on to the Commission (OJ L 184, 17.7.1999, p. 23).

⁴ Regulation (EC) No 596/2009 of the European Parliament and the Council of 18 June 2009, adapting a number of instruments subject to the procedure referred to in Article 251 of the Treaty to Council Decision 1999/468/EC with regard to the regulatory procedure with scrutiny. Adaptation to the regulatory procedure with scrutiny – Part Four (OJ L 188, 18.7.2009, p. 14).

- (5) Given that the authorisation of a plastic recycling process is an act of individual scope designed to implement Article 5(1)(n) of Regulation (EC) No 1935/2004 and that precise criteria governing the authorisation are set out in Article 4 of Regulation (EC) No 282/2008, the procedure described in Article 23(2) of Regulation (EC) No 1935/2004 is the appropriate procedure for authorisation of plastic recycling processes.
- (6) The reference to the adoption procedure in Regulation (EC) No 282/2008 should be adapted.
- (7) Regulation (EC) No 282/2008 should therefore be amended accordingly.
- (8) The measures provided for in this Regulation are in accordance with the opinion of the Standing Committee on Plants, Animals, Food and Feed,

HAS ADOPTED THIS REGULATION:

Article 1

Article 6(1) of Regulation (EC) No 282/2008 is replaced by the following:

- "1. In accordance with the procedure referred to in Article 23(2) of Regulation (EC) No 1935/2004, the Commission shall adopt a Decision addressed to the applicant granting or refusing authorisation of the recycling process."

Article 2

This Regulation shall enter into force on the third day following that of its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels,
